DEMONIC SYMPTOMS

Please review the following list and check all that apply to you. A few symptoms may not indicate demonic oppression, but these are very common symptoms for those under demonic attack. If you are uncertain, just check it off. After all, there is really nothing to lose by doing so, except one's pride. When in doubt, cast them out!

- A compulsive desire to blaspheme God
- A revulsion against the Bible, including a desire to tear it up or destroy it
- Compulsive thoughts of suicide or murder
- Deep feelings of bitterness and hatred toward others without reason: Jews, other races, the church, strong Christian leaders
- Any compulsive temptations, which seek to force you to thoughts or behavior which you truly do not want to do or think
- Compulsive desires to tear other people down, even if it means lying to do so
- Vicious cutting down of others by the tongue
- Terrifying feelings of guilt even after honest confession is made to the Lord
- Certain physical symptoms which may appear suddenly or leave quickly and there are no physical or physiological reason
- Choking sensations
- Pains that seem to move around and for which there is no medical cause
- Feelings of tightness around the head or eyes
- Dizziness, blackouts, or fainting seizures
- Sudden surges of violent rage, uncontrollable anger, or seething feelings of hostility
- Terrifying doubt of one's salvation even though you once knew the joy of salvation
- Seizures of panic or other fear that is terrifying
- Dreams or nightmares that are of a demonic or horrific nature and often recurring (Clairvoyant dreams that may even come true are most often demonic)
- Abnormal or perverted sexual desires
- Questions and challenges to God's Word
- Compulsions or obsessions
- Rebellion and hatred for authority
- Bizarre terrifying thoughts that seem to come from nowhere and you cannot control them
- Fascination with the occult
- Extremely low self-image (unworthy, a failure, no good, a constant undermining of the self-identity)
- Constant confusion in thinking (sometimes great difficulty in remembering things).
- Inability to believe (even when you want to)
